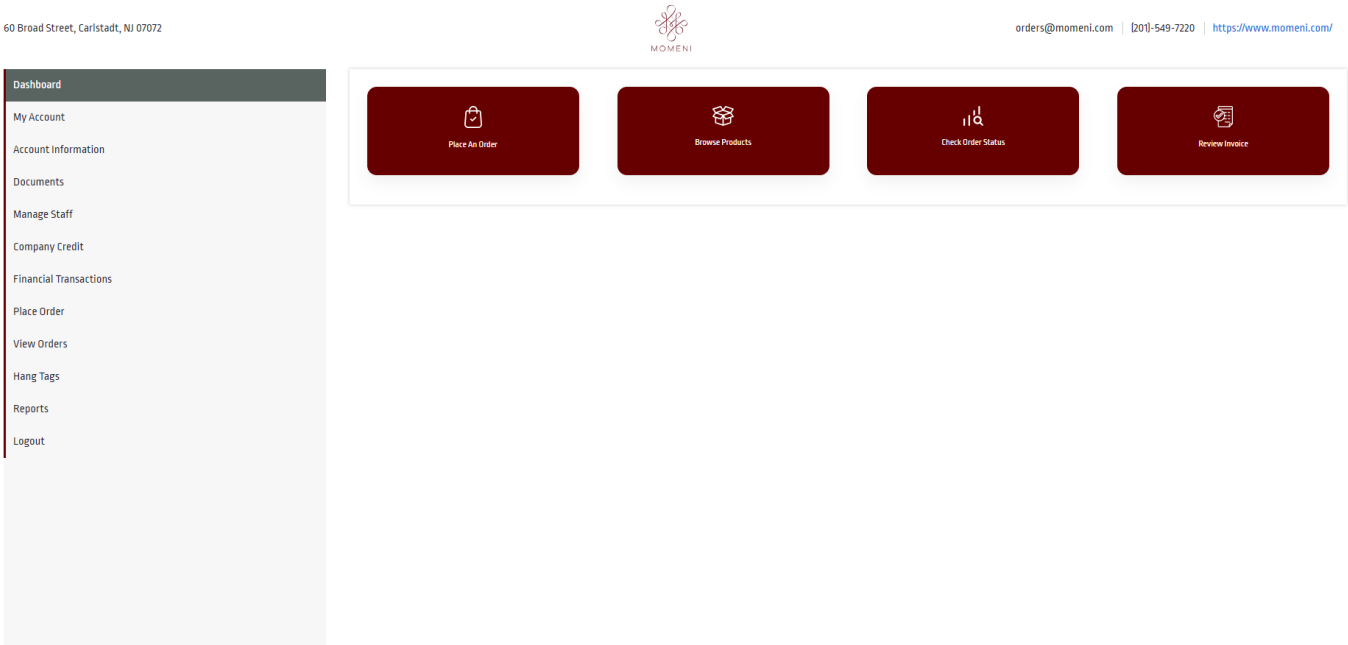
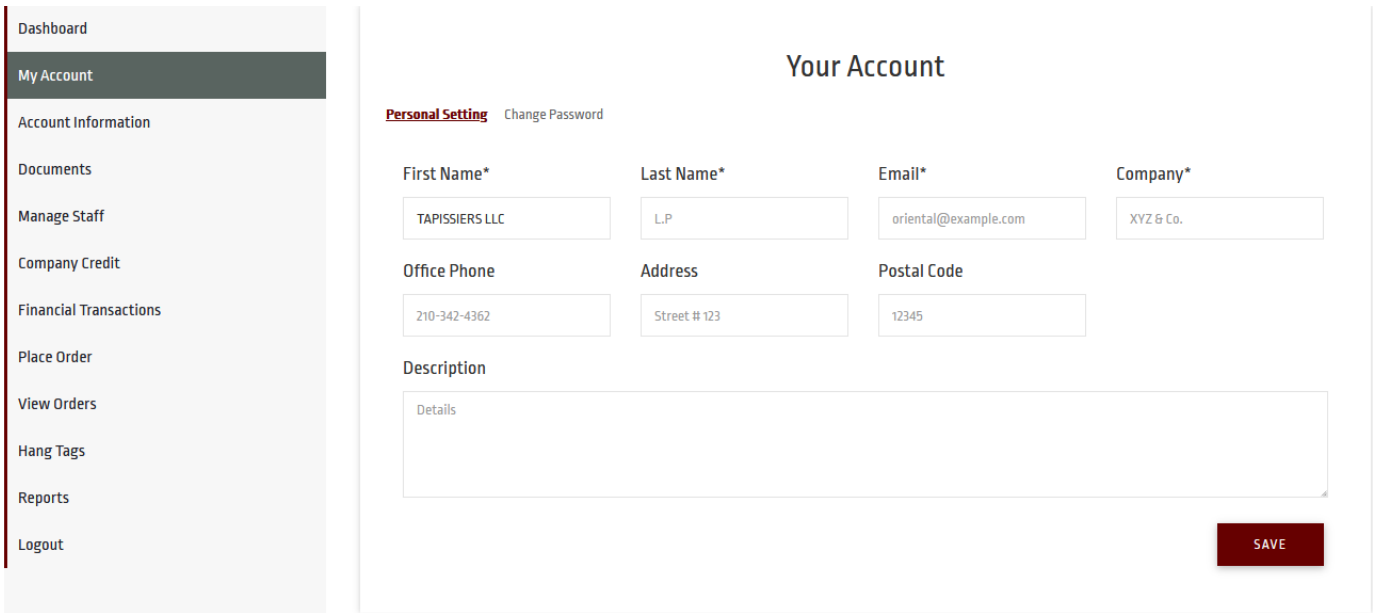
Dashboard Screen

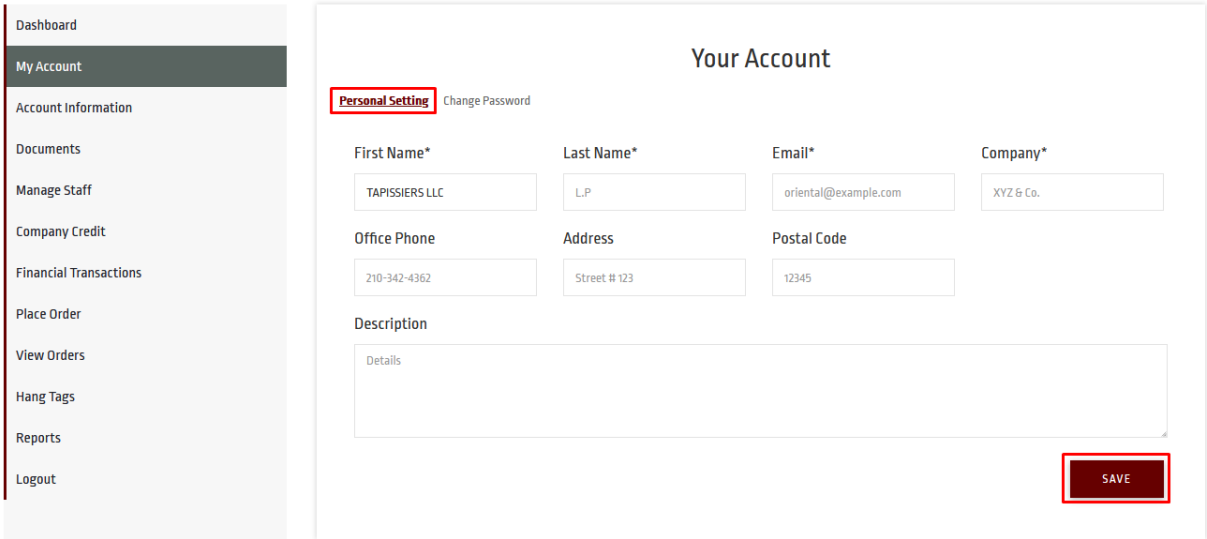


1. On the left site you can explore all the dashboard options
2. On the right side you can pick some quick options
   2.1. Place your order
   2.2. Browse products
   2.3. Check order status
   2.4. Review invoices

My Account Screen



1. You have 2 options in my account
   1.1. Personal Setting
      1.1.1. You can update your personal account settings such as: **First Name**, **Last Name**, **Email**, **Company**, **Phone**, and **Address**, etc.
      1.1.2. Click on the **Save** button, and your information will be updated.



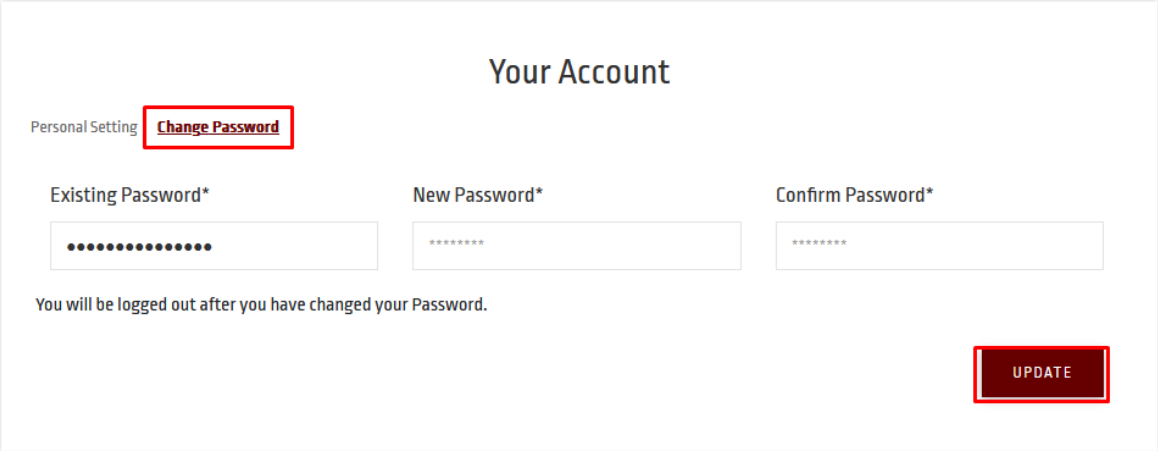
1.2. Change Password

1.2.1. Enter your existing password

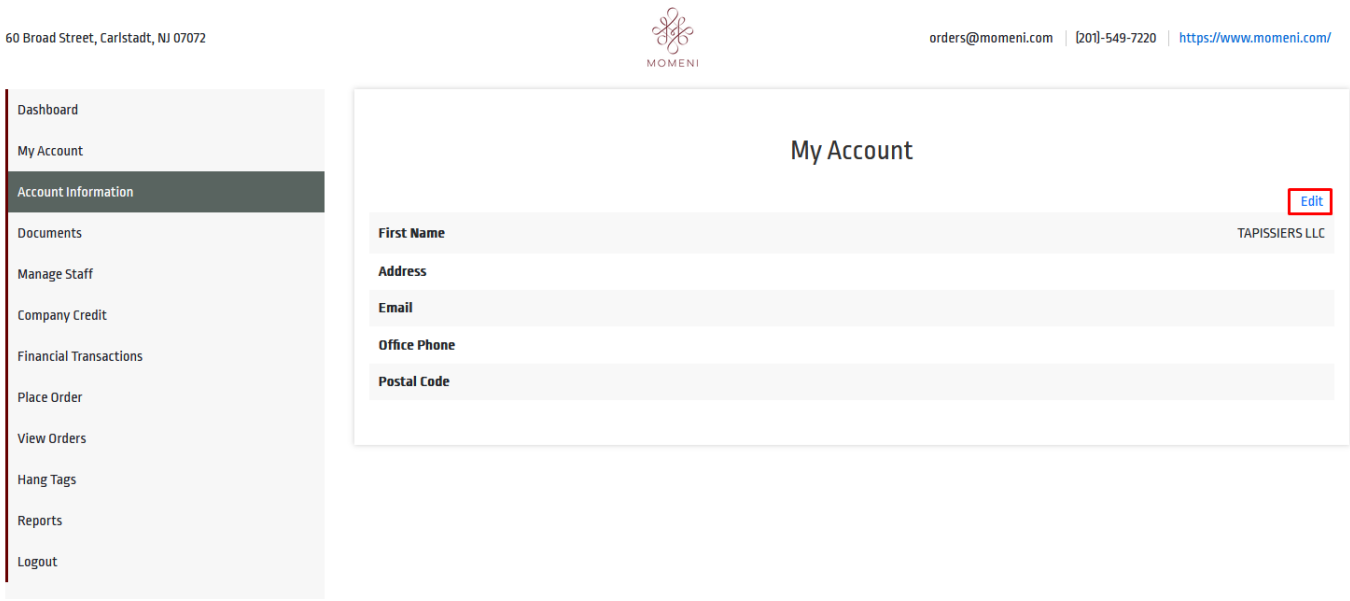
1.2.2. Add new password

1.2.3. Confirm new password

1.2.4. Click on the **Update** button, and your password will be updated.

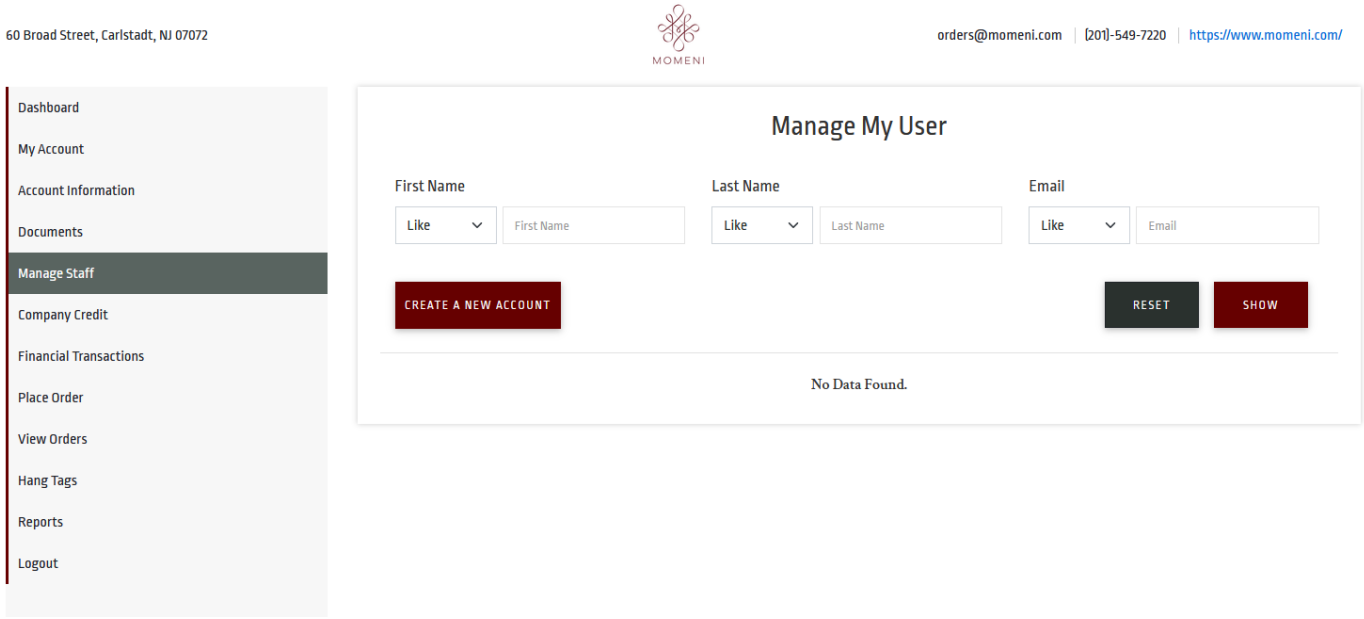


Account Information Screen



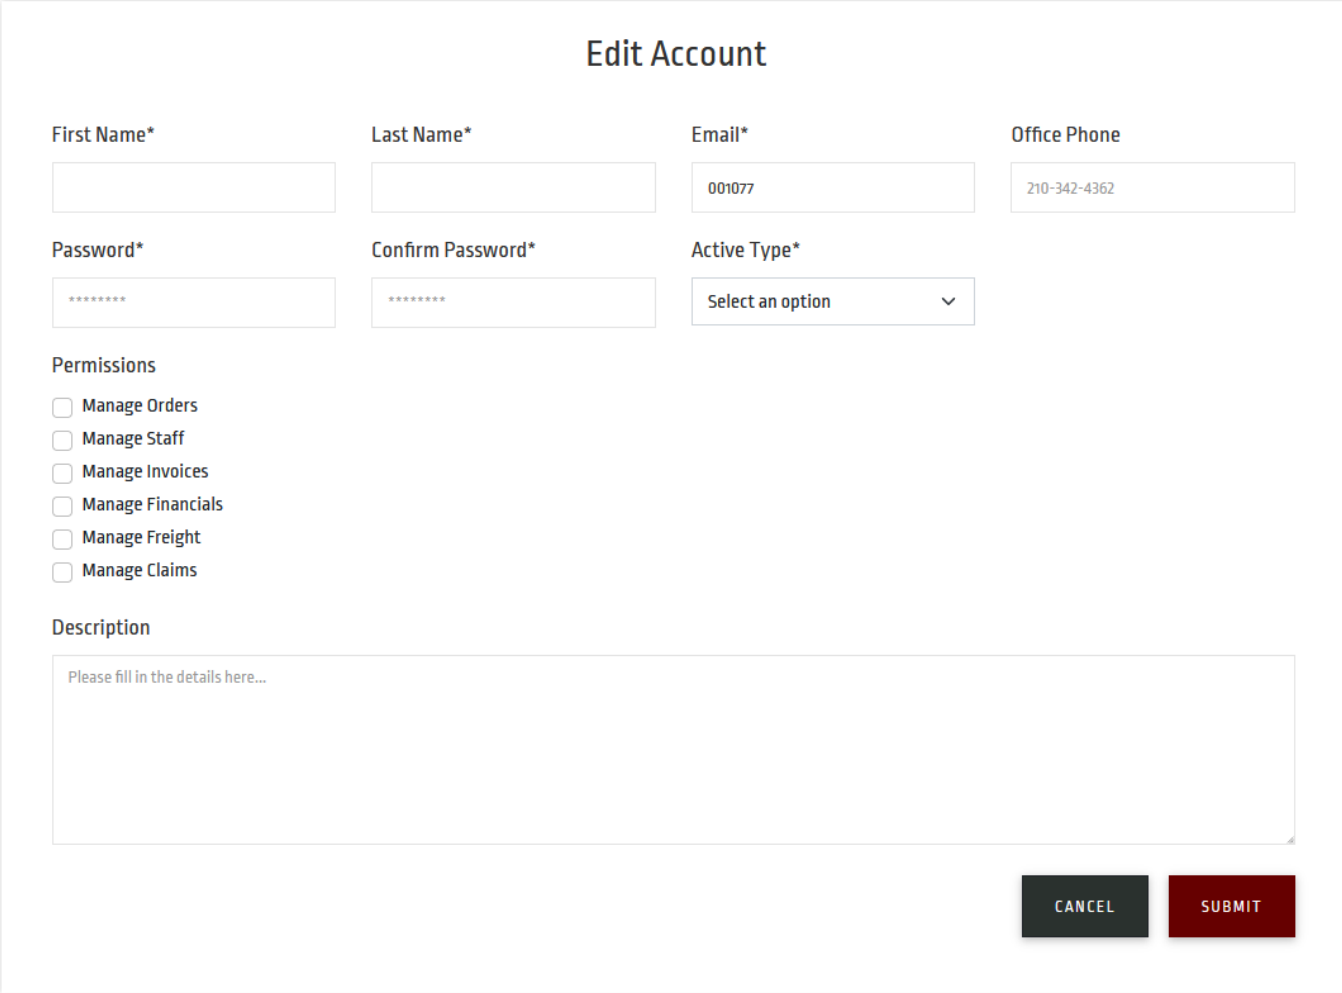
1. Click on **Edit** button
   1.1. You can redirect to my account screen & update the all information

Manage Staff



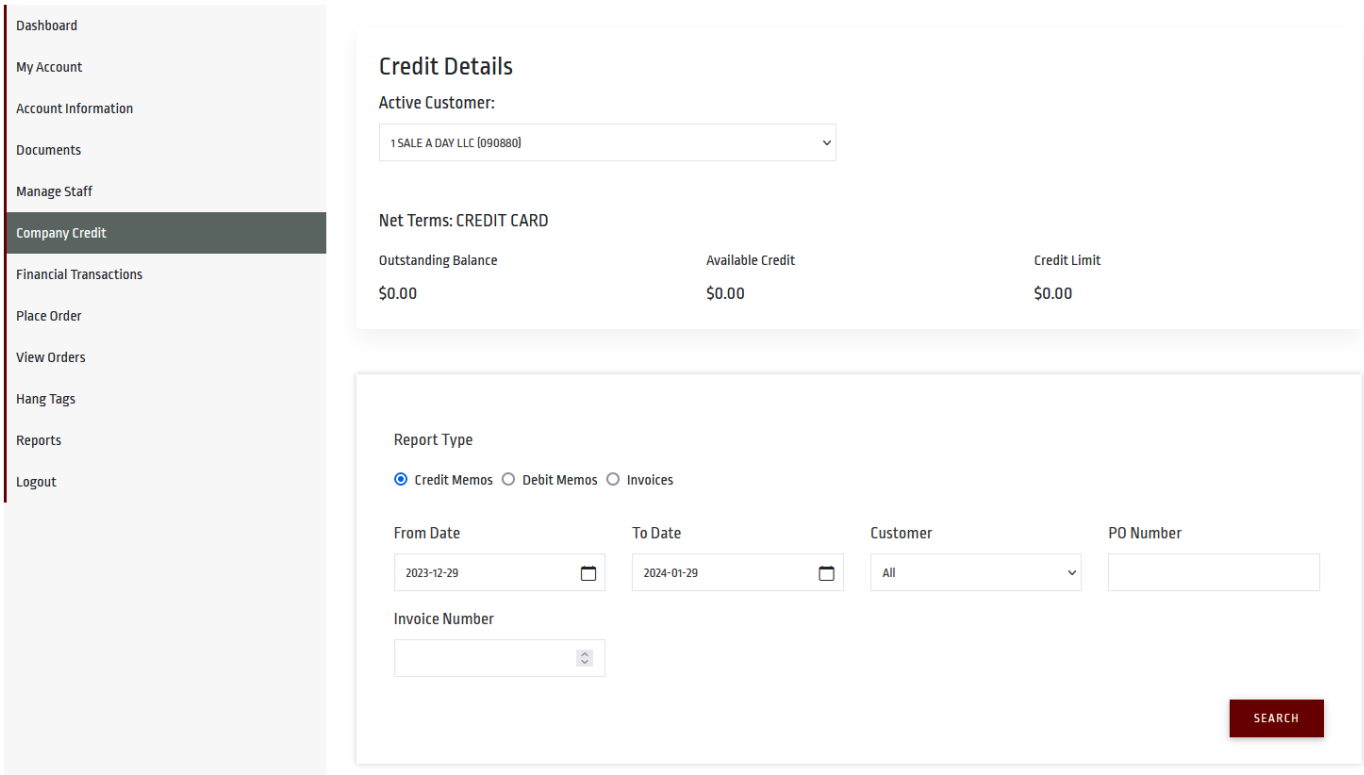
1. "**Manage Staff**" involves the administration and oversight of your user accounts. It includes tasks such as creating new accounts, modifying existing ones, updating user information, and controlling access permissions within your system or platform. Essentially, it pertains to the overall management and supervision of staff or users within an organization or system.

   1.1. Clicking on "**Create a New Account**" will redirect you to a new screen where you can update all the information such as: **Full Name, Last Name, Email, Office Phone, Password, Active Type, and Permissions**.



1.2. Clicking on the **Submit** button allows you to add your user.

Company Credits Screen



1. Select **Active Customer**
2. Report Type
   2.1. Select any option **(Credit Memos, Orbit Memos, Invoices)**.
   2.2. Selecting **From Date, To Date,** and **Customer** filed is mandatory.
   2.3. Click on **Search** button & view the data result
