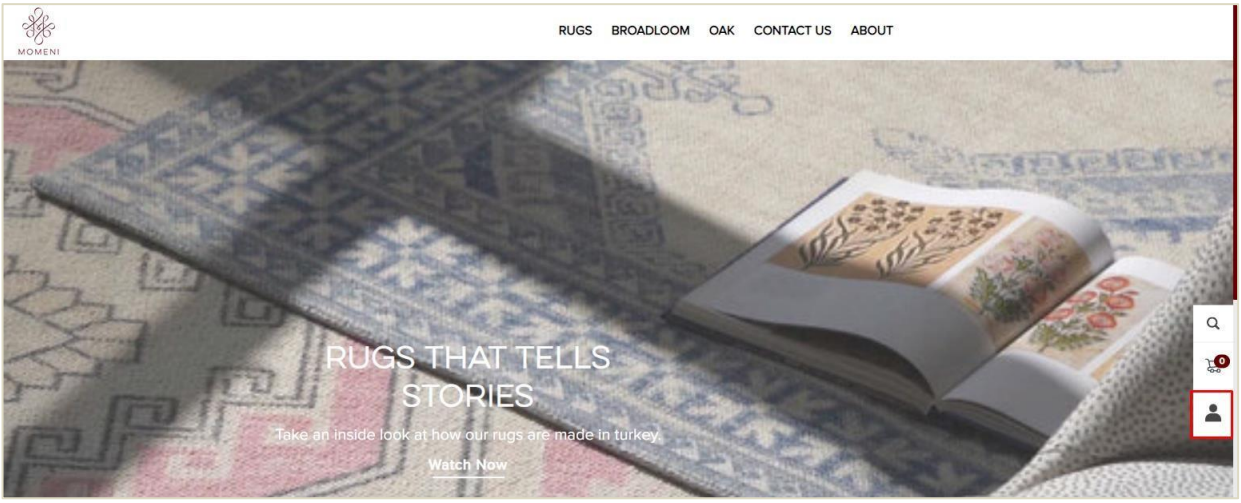
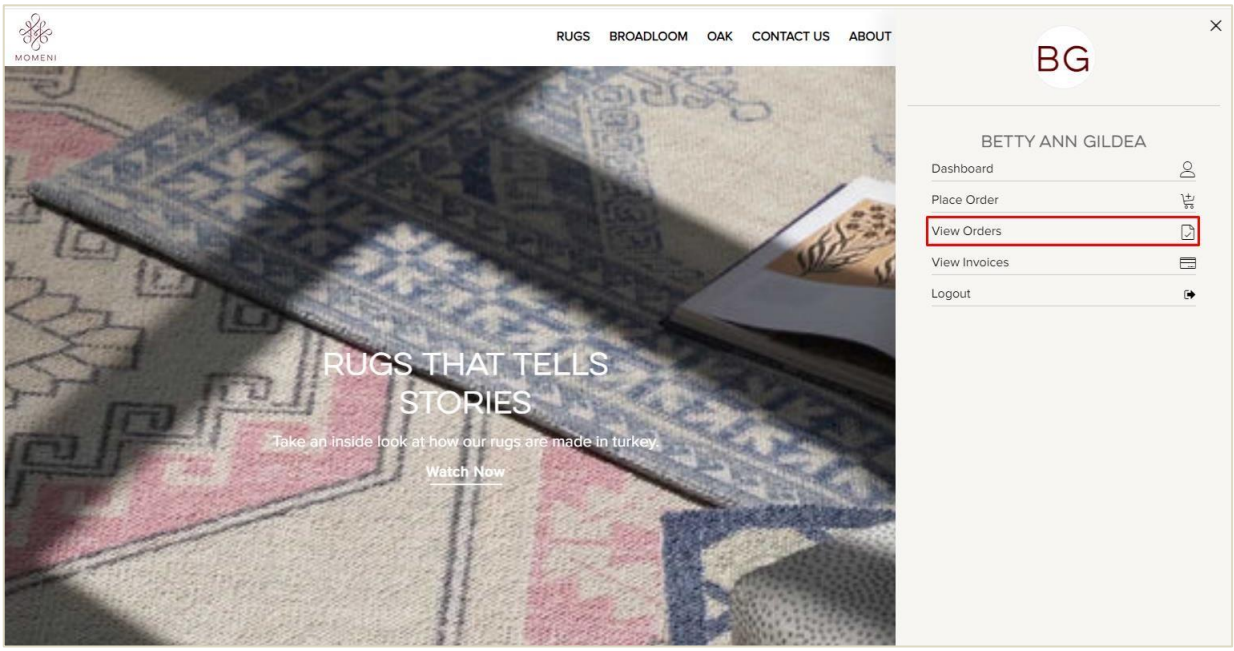
HOW TO VIEW REPORTS ON B2B PORTAL

1. Open B2B web portal of Momeni (https://mom-b2b.momeni.com) in your web browser.
2. Login the portal using your credentials. On login, the below shown screen will open:

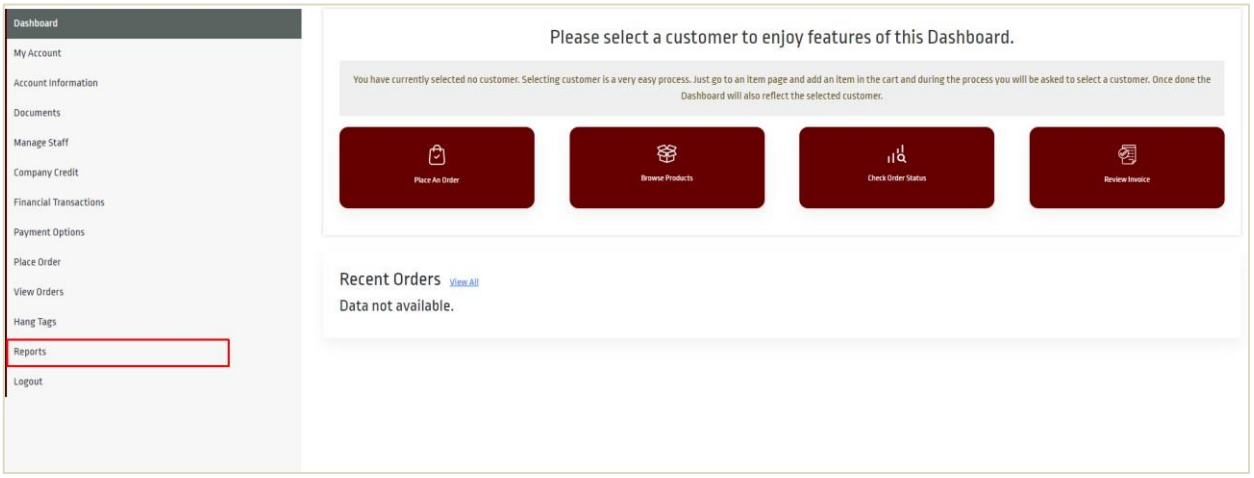


3. On above screen, click on **User** icon which is available on the *User Menu Bar*. This menu bar is available on middle at right side of the screen.

   On click this menu bar will expand as shown in the below screenshot:



4. On above screen, click on **Dashboard** option. On click it will open the below shown screen:

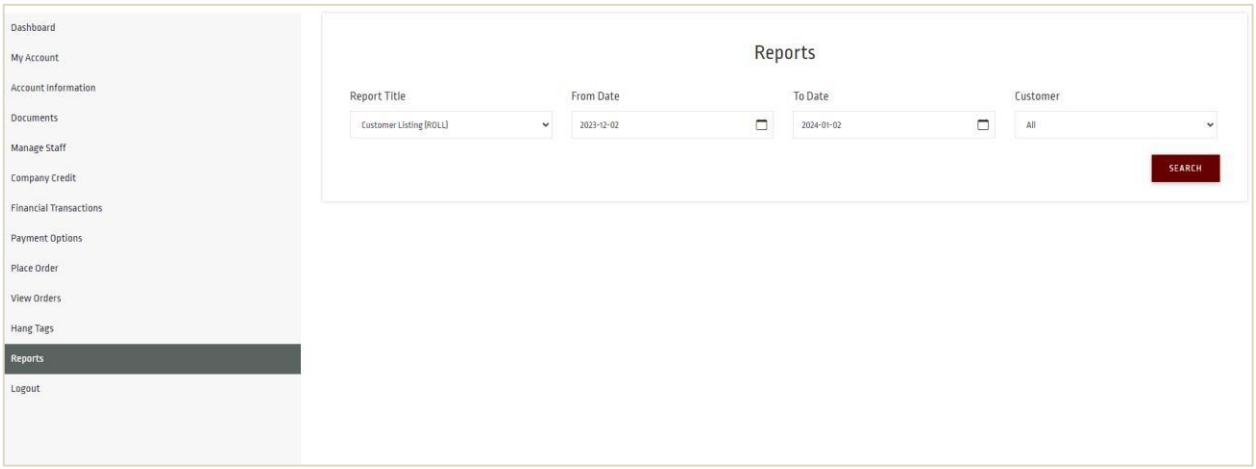


The **Dashboard** screen has two sections: A menu (on left side) and a detail section (on right).

5. On above screen of the **Dashboard**:

5.1. Click on **Reports** option (which is available in menu available at left side of the window).

On click, the following **Reports** screen will appear:



6. On above shown **Reports** screen:

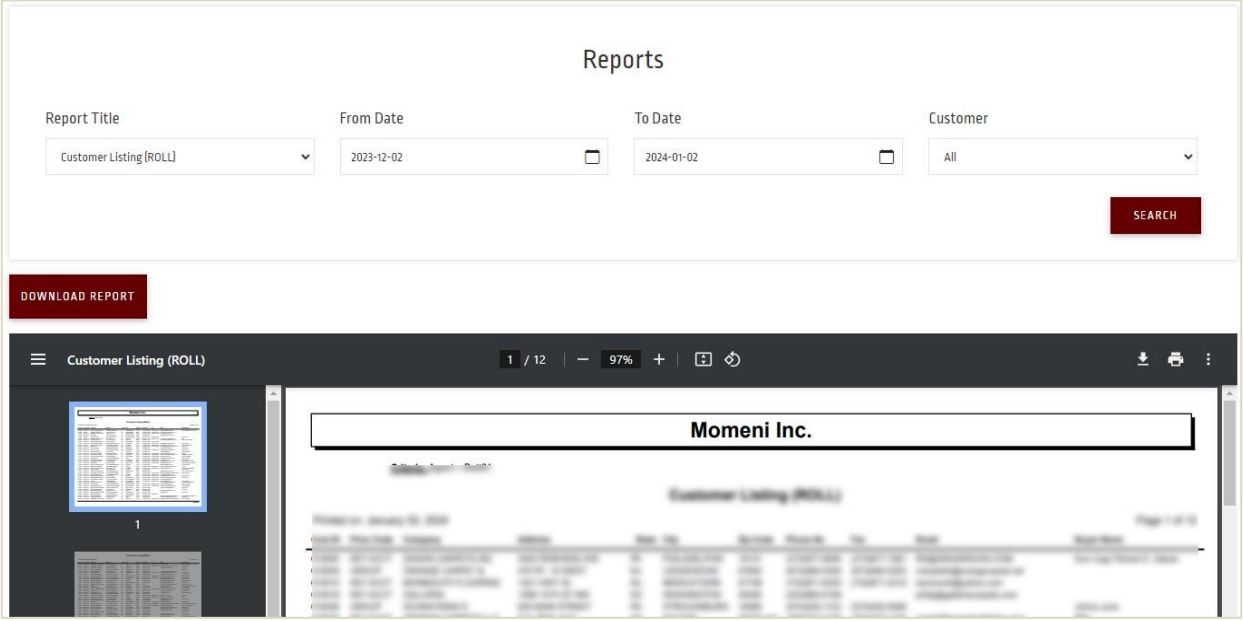
6.1. Select a **Report Title** from its drop-down list.

6.2. Select a date range (**From Date** & **To Date**)

6.3. Select a **Customer** from its drop-down list.

6.4. Click on **Search** button.

On click, the selected report will open, presenting information that aligns with the selected criteria. As shown below:



7. To download this report, users can click on the **DOWNLOAD REPORT** button located in the top right corner above the report.
